

## BLUE SAFARI

# SUBMARINE BS 1100

Step into the comfort of our air-conditioned cabin aboard the BS1100 submarine and embark on an extraordinary exploration of the mesmerizing undersea world. Our submarine descends to an impressive depth of 35 metres, revealing a mesmerizing seabed teeming with vibrant corals, shimmering fish, and the historic 'Star Hope' wreck, resting peacefully in its underwater sanctuary.

**This is a rare opportunity that only a few destinations in the world can offer, and it's an experience you won't want to miss.**

## SUBMARINE DIVE 10 pax\* (max) Dive: 40 mins (Total: 2hrs)

Experience an incredible underwater excursion in the BS1100 submarine, specially designed to offer breathtaking views of the Indian Ocean from 35 metres below sea level. You will get safety training, a full explanation of the excursion and an unforgettable 40-minute journey underwater.
