## **FULL DESCRIPTION OF THE EXCURSION:**

Embark on an exclusive all-included catamaran voyage along the stunning South-East coast of Mauritius. Departing from Mahébourg jetty at 9:30am, the Silver Swordfish catamaran promises an unforgettable journey through picturesque coastal landscapes.

During the cruise, you'll have the chance to snorkel at Trou Moutou, a fascinating natural aquarium packed with diverse marine life. Immerse yourself in the tranquil waters, where curious fishes may join you for a memorable encounter.

Next, sail leisurely to Ile Au Phare for a guided tour of this historic islet, renowned for its coral composition and cultural heritage. Our skippers will enrich your visit with insights into its captivating history.

Enjoy a delectable lunch prepared by the crew onboard, complete with a BBQ spread against a backdrop of panoramic sea views and salty breezes.

Then, the catamaran will navigate you up the estuary of Grande Rivière Sud Est to observe the large bat colony and monkeys having fun along the riverbank, as well as catching the view of the renowned waterfall.

Your journey continues to the famed Ile aux Cerfs: enjoy leisure activities such as swimming, snorkelling, sunbathing, or exploring this iconic island paradise.

Leaving Ile aux Cerfs island around 3:00pm to make our return to Mahébourg for 4:30pm, with fond memories of a day filled with exploration and relaxation.
